FOOTBALL

JOHN YAUCKOES, *Captain* GEORGE V. PERRY, JOHN A. RICKER, JR., *Coaches*

Lexington High's football team was most fortunate in converting early season losses into overwhelming victories later in the year. Two league games were lost, while two were won and one tied. The crushing victory over our annual rival, Concord, on Thanksgiving Day gladdened the hearts of all Lexington rooters. To their lasting credit, several of the team's outstanding players, including Whitehouse in his spectacular 80-yard run, scored. Concord played well, but Lexington manoeuvred so much more competently that there was the resulting tally of 26-0. It climaxed an exciting season with credit to both team and coaches.

Throughout the games, the brilliant playing of the backfield was carried on by Captain Yauckoes, Ducharme, Sullivan, Whitehouse, and Hutt, who all worked intelligently and efficiently. Prominent on the hardworking line were Oldford, Caswell, Rocque, Shedd, Gilman, and MacDonald. Mention should also be made of the faithful subs who supported the regulars in such fine fashion.

We leave our best wishes for success to next year's team with its captain-elect, Arthur Whitehouse.

SOCCEER

PETER WELCH, *Captain*

E. E. ABELL, *Coach*

Lexington High's soccer stars ranked high in the estimation of Greater Boston soccer coaches. Six Lexington players received the honor of being selected for the first and second interscholastic soccer teams. Those boys who made the first team were Captain Peter Welch, Roger Brown, and Arnold Meltzer. The boys selected for the second team were Blenus MacDougall, Leslie Armstrong, and Frank Clare.

Undoubtedly, the game at Watertown was one of the most spectacular of the season. Lexington played a heady game and held the league champions to a 2-2 tie score. Only the desperate playing of Chamberlain, Watertown's star goalie, saved the champs from defeat.

The game with New Bedford Vocational, the state champions, proved that Lexington could hold her own with the best of competition. For the first half, Lexington held New Bedford scoreless, but in the second half the state champs took the lead and the game ended with the score New Bedford Vocational 4, Lexington 1.

It is easy to see that Lexington's team was one of high calibre, bowing in defeat in only three out of the eleven games played.

BASKETBALL

This year, Lexington High had the most outstanding basketball team in its athletic history. We were able to emerge the winner of the Middlesex League title for the first time since the league was formed. In two crucial games at the end of the season, Lexington secured the title: first, with Winchester where we won with the close margin of two points; the other, with the nearest rival for the championship, Stoneham, which we took with a more comfortable lead.

The Lexington team was invited to compete as one of the eight best teams in Eastern Massachusetts in the Tech Tournament. The honor of participating was more than any former Lexington team had received.

Outstanding players throughout the season were Ducharme, the high scorer and sensational forward; Caswell, next year's captain; Wakefield, Welch, Phillips, Woodward, and Captain MacDonald.

HOCKEY

ROBERT TOWNSEND, *Captain*

JOHN YAUCKOES, *Student Coach*

Lexington High's hockey team was unable to find itself this winter until the Woburn game, which Lexington won with a score of 8 to 7. The game against Woburn, perhaps the most interesting from Lexington's viewpoint, was featured with hard, fast playing by both teams. One of the most outstanding players of the season was Captain "Bob" Townsend. "Bob" played a beautiful game at defense position, checking men who undoubtedly would have scored certain goals. The combination of Roy Hutt, "Don" Guertin, and "Marty" Palmeri made a wonderful scoring line, working together like a well oiled machine. The line of "Echie" Armstrong, "Dick" Harding, and "Barney" Reed, did good work, but lessened their scoring chances by too much passing. The boys should be complimented for their initiative in maintaining the hockey team. We hope they receive more support next year.

Coach, E. E. ABELL

With a wealth of material left over from last year's undefeated team, Lexington encountered Woburn in its first dual meet of the season. The result was a 61 to 16 victory for the blue and gold. With victory surging through its veins, the team went over to Belmont and was beaten by five points.

Led by the versatile Captain Sorensen, ace high jumper, the team looks forward in anticipation to the meets that are booked for the season.

So far the outstanding performers are Jim Manley and Warren Love in the 100, in the 440 Helm, and in the 880 Bill Roberts and Greer. Strong in the mile are "Dan" MacInnis and "Irv" Doe. "Dick" Cowdry and Whitehouse have been turning in some good work in the shot put. Captain Sorensen and "Art" Field have held up the high jump event, with Jim Manley taking care of the broad jump.

Mr. Abell and Mr. Nichols should be commended for their careful coaching of the team.

BASEBALL

IRVING SHERWOOD AND JOHN A. RICKER, JR., *Coaches* ROY HUTT, *Captain*

To cap an unusually successful year in athletics, the baseball team of Lexington High is bettering those of surrounding schools. It holds first place and is undefeated in the Middlesex League at this writing, and has its eye on the championship.

As in any sport, the team owes its success to the fine ability of its players. Most important in baseball are the pitchers. Here Lexington is fortunate, having Yauckoes, an outstanding batter and outfielder as well as hurler, Holbrook, and Blodgett. Good pitching would be of no avail without competent coöperation from the rest. At first base is Captain Roy Hutt, a brilliant player, and the leading batter of the team. Harding displays smart infielcing from his post at second base, as does the all-round athlete, Ducharme at third, and Guertin at shortstop. The valuable outfield is well supported by such players as Armstrong, Palmeri, Rocque, Gilman, and Townsend, all able fielders and batters. With such a combination is there any wonder Lexington is winning?

GOLF

Captain, ARNOLD MELTZER

Coach, GEORGE V. PERRY

Lexington High has plenty of talent for its 1936 golf team. Led by the clever "Arnie" Meltzer, the blue and gold looks forward to a good season.

Players who have shown up good in recruit matches are Captain Meltzer, Bill Phillips, Charley Vaughan, Dana McIntosh, and Joe Fardy.

Mr. Perry has proven to be one of the most efficient and popular golf coaches in the circuit.

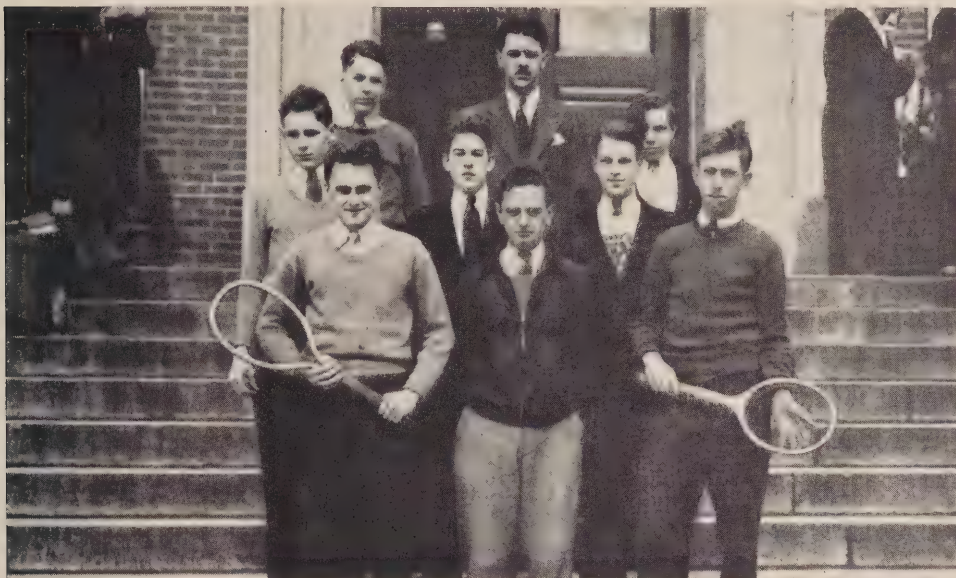

Mr. Ohlson at the club deserves much credit for his coöperation and the wonderful condition that he has kept the course in.

BOYS' TENNIS

Among the so-called minor sports is Tennis, which holds great interest for several of Lexington High's students. Under Mr. Fogg's capable coaching, this year's team shows an ability worthy of the school's enthusiastic recognition.

Our masters of the racquet are Henry Palmer, Fred Spencer, and Roger Brown participating in the single matches; and Earl Archibald, James Rowse, Freeman Nourse, and Thayer Rudd doing well in the doubles.

The girls' field hockey team, although not outstanding nor constantly winning, developed many fine players. The hard-fought and well-won Concord game was the most interesting of the season. Captain Eleanor Heaney, high scorer of the varsity, made the only goal. The girls again showed their undaunted spirit by defeating a mixed Windsor and Brimmer team at Newton during a wicked sleet storm on November 31st. All the girls who came out for hockey were good sports even in the face of defeat. Harriet Nissen was elected next year's captain. The games played were as follows:

GIRLS' BASKETBALL

The girls' varsity basketball team finished the season with two wins and two losses. The Belmont game was by far the most exciting, with first one team scoring and then the other. Although the Lexington girls lost by a mere margin of three points, their playing showed technique and sportsmanship. Captain Gladys Jones and June Sumner were always on the alert to make baskets, and with the aid of the hard-fighting guards and centers, brought well earned victories to the team.

The second team varsity was more successful with only one loss. The most sensational game was with Wellesley, in which the Lexington girls were victorious by one point. In the game with Belmont, the girls allowed the opposing forwards to make only one free shot. The team was ably captained by Dorothy Cumming.

The senior class team was also very successful with only one loss. The Arlington game was the most outstanding because of the low final score, but both teams fought valiantly for victory.

ASSEMBLIES

"Hello! Oh, it's you. I'm fine thanks. Assemblies for the Year Book? Well now, I'd be glad to remind you of what I can. The first we had was for Armistice Day. Mrs. Beaudrey told us the fine work the Red Cross is doing. It was very interesting. Then at Christmas, Miss Sutton put on two plays. Remember how amusing some of the dignified seniors were as the Ruggles in 'Byrd's Christmas Carol'? Weren't Lorraine Minen, Oscar Straw and Wimburn Wallace convincing in 'The Beau of Bath'? I thought that was one of the best entertainments we have ever had. Oh, Yeah! We had another play in February. It was a Revolutionary story—'A Stitch in Time' was the name of it. All the parts were played well. Everyone is glad there's a dramatic club, I guess. What else? Let me see. Now I remember another. Captain Johnson's talk. Didn't you wish you could be one of the crew on his fascinating cruise around the world? I certainly did. I can't seem to give you any other suggestions. Had you thought of any? Why yes! I never should have omitted that, that concert by some of the Conservatory students. The four instrumentalists and singer proved to be very popular. I enjoyed it particularly because I recognized almost every selection. That's half of the fun. That reminds me of something else. Don't you think you should mention the talks Miss Rhoades has been giving to the girls? I know that I've learned loads of points about dressing. I know everyone enjoyed them. And I think everyone would like to hear about the talks Mr. Neilson has been giving the boys, and also the messengers of men and women who have come from Bouve, Burdett, Lasell and others. I hope I've been a help. You're much obliged. Come again."

DRAMATIC CLUB

The High School Dramatic Club, newly formed under the direction of Miss Sutton, was enthusiastically approved by the entire school, and approximately forty-five aspiring actors and actresses joined it. The following officers were elected:

OSCAR STRAW, *President* JOSEPHINE WALDRON, *Vice President*
EVA TROPEANO, *Secretary*

Regular meetings were held every two weeks during the extra period, and extra rehearsals held often. The plays presented were not numerous but very enjoyable. In February a short historical play, "A Stitch in Time" was given and in April two one-act plays were presented, "The Rag Doll" and "Ray of Reason." Despite the usual difficulties which beset a new organization, the Club's activities were most successful, and it is to be hoped that it will continue its good work next year.

CHORUS

During the first half of the year Mr. Withington, our versatile orchestra leader, instructed several classes of chorus for the regular fifty-minute period

once a week. Now, since the new plan of an extra period has been adopted, he has had the opportunity to divide the classes into several groups and to instruct them twice a week instead. Our curriculum has consisted of many interesting talks by him about the growth of music and has included different songs illustrating all the steps from the Gregoria chants to Madrigals, folksongs and selections from oratorios, and popular songs which Mr. Withington has himself arranged.

Before Christmas vacation, a chosen group from the chorus went through the corridors singing Christmas Carols, spreading Christmas cheer and joy. Mr. Withington has done much to make us musical-minded, and though he may not know it, has won a place in our school which indeed would be very difficult to fill.

DANCES

November 29 the annual Football Dance was held in the Cary Memorial Hall with Craig Hunting's orchestra providing the music. This dance was successful in that it earned enough money to pay for taking care of those injured in football.

On December 27 the Senior Prom was held in the high school gym which was decorated with Christmas trees in keeping with the season. Howard Cutter's orchestra, assisted by a singer and an amplifier, proved to be popular. Madeleine Gillespie headed the Prom Committee.

The Junior Prom took place February 21 with the orchestra of Duke Charles doing the honors. The gym was decorated attractively by the committee of which Mr. Moyle was the adviser.

A novelty affair was the Leap Year Dance held on March 13. The proceeds helped lower the cost of the year book. A large number present enjoyed the affair greatly.

The Sophomore Prom took place May 9 in the gym. Duke Charles again provided the music. The committee was headed by Joseph Sousa.

ART EXHIBIT

May 27th and 28th an exhibit of art which was open to the general public was held in the high school gymnasium. This included not only work completed in art, sewing, cooking, and manual training classes, but also English projects, like blurbs, and maps made in history study.

ROTARY CLUB

In April, several students of the high school accompanied by Miss MacIntyre visited the Rotary Club and presented a panel discussion on "Germany's Reoccupation of the Rhineland." Arthur Field represented Germany; Francis Barry, Russia; Nina McClellan, England; Joseph Vaughan, France; and Priscilla Grindle, Italy.

OUTLOOK CLUB

The Outlook Club, in October, invited several seniors to hear Professor Anton De Haas of Harvard. The visitors enjoyed greatly Professor De Haas' delightful manner of presentation and benefited from his extensive knowledge of economic conditions.

P. T. A.

April 30, several combined history classes presented to a P. T. A. Conference held in the high school auditorium, a demonstration of the way Miss Hayward conducts history classes. The general subject was on "United States' Neutrality" and the scene was a foreign relations committee meeting. Several students proposed bills and represented different points of view, while others questioned the major speakers.

BAND, ORCHESTRA CHORUS

March 27th, the Band, Orchestra, and Chorus presented a concert, the purpose of which was not only to raise money for instruments but also to show what the high school students have accomplished in music. While the entire program was excellent, the most attractive features were a flute duet, a concertino for pianoforte and orchestra, and several popular songs arranged by Mr. Withington.

SPOTLIGHT

This year the Spotlight, with Henry Palmer as Editor-in-chief and Mr. Fogg as Faculty Adviser, has printed four successful issues. Besides the usual departments, several new features were added. A prize of five dollars was awarded for the best short story. A new department was added in which the students expressed their ideas on various subjects. A new policy was adopted in sports writing, since many felt that the report of every game was rather uninteresting and that "sport slants" would be more attractive.

Sixth Row: H. Rycroft, H. Fernald, F. Faulkner.
Fifth Row: C. Cameron, E. Burton, T. Nourse, A. Grindle.
Fourth Row: M. Straw, T. Rudd, B. Nourse, H. James.
Third Row: B. Dempsey, K. Helm, L. Doughy, S. Love, E. Bentsen.
Second Row: W. Lichtenberg, L. Carrol, B. Ewing, D. Boyd.
First Row: B. Connor, Drum Major.

BAND

Our band has been very active this year. Besides playing at all the home football games, it has played at various assemblies and at the meeting of the Sachem Council of Boy Scouts. It gave a fine exhibition of both playing and marching in the parade on April 20, with our drum major, Barbara Connor, all decked out in a snappy uniform. At the annual concert in March, the band opened the program in stirring fashion.

A brass quartette was formed in February, and has played at various school and community functions.

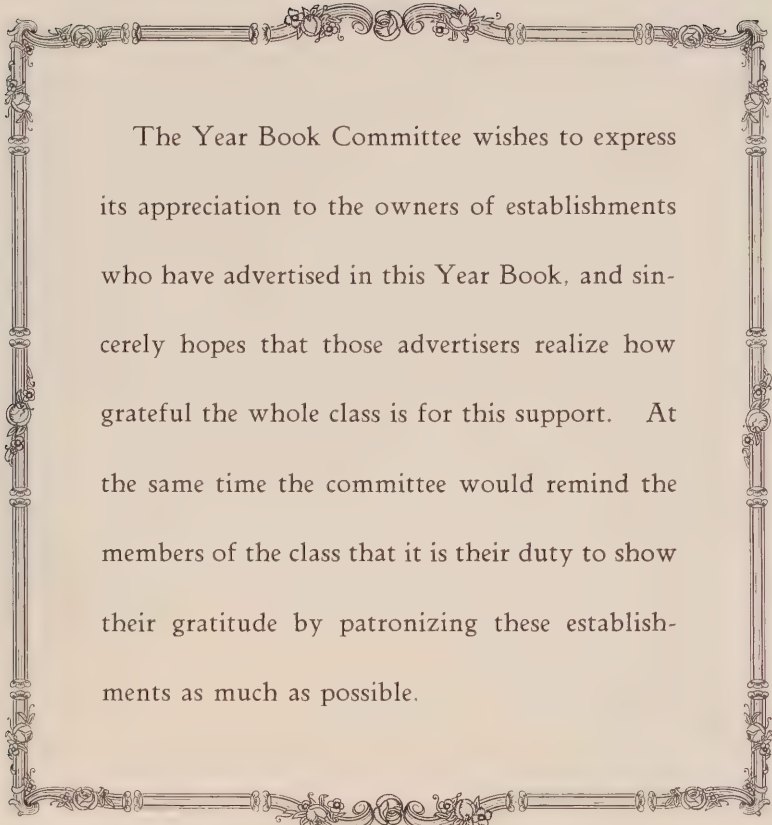

It is with regret that we lose six members of our band who will be graduated this June. These are Edward Bentsen, Betty Nourse, William Lichtenberg, Fred Faulkner, Harold Rycroft, and Henry James. These members have done fine work in the past two years, and the band will miss their presence next year. However, we still have fifteen who have had experience and hope that next year's band will continue the good work.
